

CURRICULUM VITAE

Name Dr. Manisha Chakrabarty .	Current Position Professor since 2016 (Economics Group-Indian Institute of Management Calcutta, India)
Broad Area of Research Interest Applied Econometrics, Macroeconomics, Development Economics.	
Specific Area of Research Interest Applied Macroeconometrics, Demand Analysis, Inequality & Income distribution, Economics of Education and Human Labour, Empirical Finance.	
Teaching Interest Macroeconomics, Econometrics, Time Series Econometrics, Quantitative Research Method.	
Office Mailing Address Indian Institute of Management, Joka, Diamond Harbour Road, Calcutta 700 104	
E-mail mchakrabarty@iimcal.ac.in m.chakrabarty@gmail.com	Address

Education & Qualification

Post Doc (2000-2003) Department of Economics Research Group Hildenbrand University of Bonn, Germany.
Ph.D. (1992-1998) Submitted in 1998, Awarded in 1999 from Indian Statistical Institute, Calcutta, India. Title of Ph.D. Thesis: On Measuring Cost of Children - The Case of Rural Maharashtra.
Master of Science University of Calcutta, India, 1990. Results released in 1991. with Specialization in Statistics and Econometrics (First Class)
Bachelor of Science University of Calcutta, India, 1988 (second Class).

Major Research Papers :Published/forthcoming (2000 onwards)

Macroeconomics. & Applied Time Series Analysis:

1. 'Demonetization and digital payments in India: perception and reality', **Applied Economic Letters**, (with Asutosh Jha and Partha Ray), Vol. 28, Issue 4, 319-323, February, 2021. (AJG, 2021: 1, ABDC: B).
2. 'Changes of Base-Year and Indian GDP Growth: An Agnostic Look', **Indian Growth and Development Review**, (with Partha Ray), Volume 14, Number 3, June 2021, pp. 281-301(21). (ABDC: B)
3. 'Data as Guide to Policy: Bills of Mortality of 17th Century and Covid-19 of 2020', in **The Impact of COVID-19 on India and the Global Order - A multidisciplinary approach** (with Anirban Banerjee & Subhankar Mukherjee), edited by Mousumi Dutta, Prof. Zakir Husain and Anup Kumar Sinha, Springer, February, 2022, DOI: <https://doi.org/10.1007/978-981-16-8472-2>.

Panel Data:

4. 'Testing for Absolute Convergence: A Panel Data Approach' in **Econophysics & Economics of Games, Social Choices and Quantitative Techniques**, (with Samarjit Das), edited by Banasri Basu, Bikas K. Chakrabarti, Satya R. Chakravarty, Kausik Gangopadhyay, Springer, 2010, ISBN 978-88-470-1501-2.
5. 'Coincident Test and Convergence Hypothesis: Theory and Evidence' in the **Proceeding of the ICCS-X, Tenth Islamic Countries Conference on Statistical Science**, (with Samarjit Das), Volume name: Statistics for Development and Good Governance, edited by Z. Amin. and A.S. Hadi., Vol 2, Page-324-363, 2011.
6. 'Absolute Convergence under Cross-sectional Dependence: Theory and Evidences', **Journal of Economics and Econometrics**, (with Ajoy Pal and Samarjit Das), Vol-55, Issue 3, 46-77, 2013.
7. 'Pandemic and Economic Slowdown: The Case of India', **Applied Economics**, Vol-54, Issue-19, pp: 2214-2230, (with Subhankar Mukherjee), April 2022 (AJG, 2021:2, ABDC: A).
8. 'How effective are stock market reforms in emerging market economies? Evidence from a panel VAR model of the Indian stock market', (with Sumon Bhaumik, Ali Kutan and Ekta Selerka), **Journal of Quantitative Economics**, Vol 19, 795-818, December 2021 (ABDC: B).

Demand Analysis and Household Welfare:

9. 'The Effect of Current Income on Aggregate Consumption', **The Economic and Social Review**, (with Anke Schmalenbach), Vol-33, Issue 3, 297-317, 2002. (AJG, 2021: 1)
10. 'Empirical Regularities in Distributions of Individual Consumption Expenditure', **International Journal of Modern Physics C**, (with Martin Hohnisch & Sabine Pittnauer), Vol-13, Issue 4, 541-549, 2002.
11. 'Engel's Law Reconsidered', **Journal of Mathematical Economics**, (with Werner Hildenbrand), Vol- 47, Issue 3, 289-299, 2011. (AJG, 2021:3; ABDC:A)
12. 'Preferences, Spatial Prices and Inequality', **Journal of Development Studies**, (with Amita Majumder and Ranjan Ray), Vol- 51, Issue 11, 2015. (AJG, 2021:3; ABDC: A)
13. 'How should Engel's law be Formulated', **European Journal of History of Economic Thought**, (with Werner Hildenbrand), Vol- 23, Issue-5, 2016. (AJG, 2021: 2; ABDC: B)
14. 'A Framework for the Simultaneous Measurement of Spatial Variation and Temporal Movement in Prices in a Heterogeneous Country: the Dynamic Household Regional Product Dummy Model', **Review of Income and Wealth**, (with Amita majumder and Ranjan Ray), Vol- 64, Issue 3, 703-730, 2018. (AJG, 2021:3, ABDC:A)
15. 'Relative Cost of Children : The Case of Rural Maharashtra, India', **Journal of Policy Modelling**, (with Amita Majumder), Vol-25, Issue 1, 61-76, 2003. (AJG, 2021:2; ABDC: A)
16. 'Estimating Equivalence Scales Through Engel Curve Analysis', in **Econophysics & Economics of Games, Social Choices and Quantitative Techniques**, (with Amita Majumder), Edited by Banasri Basu, Bikas K. Chakrabarti, Satya R. Chakravarty, Kausik Gangopadhyay, Springer, 2010, ISBN 978-88-470-1501-2.
17. 'Earning Capacity, Efficiency, and Poverty: A Study on Rural West Bengal and Orissa', in **Data Envelopment Analysis and Its Applications to Management**, (with Amita Majumder), edited by V. Charles & M. Kumar, Newcastle upon Tyne, UK: Cambridge Scholars. Publishing. ISBN (10): 1-4438-4132-3, ISBN (13): 978-1-4438-4132-0, 87-105, 2012.
18. 'Entropy-based Consumption Diversity – The Case of India', in **Opportunities and Challenges in Development**, (with Jayanta Mandi), edited by

Bandyopadhyay, Simanti & Dutta, Mousumi, Springer, ISBN 978-981-13-9981-7, June 2019.

19. 'Financial Inclusion and Household Welfare: An Entropy Based Consumption Diversification Approach', **European Journal of Development Research**, (with Subhankar Mukherjee), online July, 2021.

Inequality, Gender Bias & Income Distribution:

20. 'Gender-Bias in Children in Rural Maharashtra -An Equivalence Scale Approach', **Journal of Quantative Economics**, Vol-16, Issue 1, 51-65, 2000. (ABDC: B)
21. 'On the distributional effects of income in an aggregate consumption relation', **Canadian Journal of Economics**, (with Anke Schmalenbach and Jeff Racine), Vol-39, Issue 4, 1221-1243, 2006. (AJG, 2021: 3; ABDC: A)
22. 'Does move to market have an impact on earnings gap across gender? Some evidence from India', **Applied Economic Letters**, (with Sumon Bhaumik), Vol-15, Issue 8, 601-605, 2008. (AJG, 2021: 1, ABDC: B)
23. 'Household Budget Share Distribution and Welfare Implications: An Application of Multivariate Distributional Statistics', **Journal of Applied Statistics**, (with Amita Majumder and Jeff Racine), Vol-42, Issue 12, 1-15, 2015. (AJG, 2021: 2; ABDC: B).

Economics of Education and Human Labour:

24. 'Earning Differences Between Chinese and Indian Wage Earners, 1987-2004', **Review of Income and Wealth**, (with Olivier Bargain, Sumon Bhaumik, and Zhong Zhao), series 55, special issue 1, 2009. (AJG, 2021: 3, ABDC: A)
25. 'Earnings Inequality in India: Has the Rise of Caste and Religion Based Politics in India Had an Impact?', in the **Handbook of Muslims in India**, (with Sumon Bhaumik), edited by R Basant and A Shariff, OUP, New Delhi, India, 2009, ISBN: [9780198062059](#).
26. 'Is Education the Panacea for Economic Deprivation of Muslims? Evidence from Wage Earners in India, 1987-2005', **Journal of Asian Economics**, (with Sumon Bhaumik), Vol-20, Issue 2, 137-149, 2009. (AJG, 2021, 1; ABDC: B)

27. 'Whither human capital? The woeful tale of transition to tertiary education in India', **Applied Economic Letters**, (with Sumon Bhaumik), Vol. 19, Issue 9, 835-838, 2012. (AJG, 2021: 1, ABDC: B).
28. 'Educational Attainment in India: What Drives Transition?', **Money and Finance**, (with Sumon Bhaumik), February, 2013.

Other publications:

28. 'How to Ease Lockdown? Forward Guidance Using A Multi-Dimensional Covid Vulnerability Index for India', **Ideas for India**, (with Subhankar Mukherjee and Jayanta Mandi), May 2020.

Submitted:

1. Do Cultural Links Synchronize Fertility Rates between Regions across Countries? Evidence from India and Bangladesh (with Amita Majumder & Ranjan Ray): Area: Demography. **Journal of Population Economics** (ABDC:A)
2. Impact of Covid-19 on Convergence in Indian Districts (with Subhankar Mukhopadhyay): Area: Panel data & Growth. R&R: **Indian Growth and Development Review** (ABDC: B)
3. Getting Real in the Real Consumption Expenditure: A case of Rural India (with Swathsree and Debopriti Bhattacharaya): Area: Development Economics. **Journal of Quantitative Economics**.
4. "Network Investment as Drivers of Mobile Subscription – A Firm-level Analysis: (with Debashis saha and Asutosh Jha): Area: Panel Data and Information system. R & R: **Information Systems Frontiers**.
5. Estimating Equivalence Scales: A Regional & Temporal Analysis of Urban India. Area: Applied Microeconometrics & Welfare. Edited Book by Springer on "**Quantitative Methods for Business, Economics and Policy Analysis**".

Research Work –in Progress: {with Potential Outlets}

1. Inflation Targeting and Structural Break: Evidence from Emerging Economy: Area: Time Series Econometrics.
2. Credit Constraint and Household Welfare: Impact of covid: Panel Data & Welfare.
3. Change in economic and non-economic aspirations of the women members in Self Help Groups in Bihar.

- **Research Project (Outside Funded: Third Party)**
 - **Government of India Consultancy Project:** “Evaluation Study of MGNREGA”, 2014.
 - **UKIERI tri-lateral UK-USA-India** research project funded by **British Council** on “Financial development and corporate governance – in India”, 2013.
- **Research Project (Institute Funded)**
Finished:
 1. The Hindu Muslim Economic Gap in India: is Reservation in Education an appropriate Policy response using NSS data
 2. Econometric Methods to study stochastic convergence with application convergence across EU members using IFS and WDI data sets, 2009.
 3. Rural Households- How Poor Are They: Impact Evaluation of MGNREG, 2011.
 4. Do Food-Price Movements affect Inequality between rich and poor? Getting Real into Inequality.
- **Research Project (Institute Funded)**
Ongoing:

Food-price movements and Living Standard of Rural Household: An Analysis Based on Farm-Household Model.

Discussion Paper:

1. Relative price movements and inequality: A case of Rural India, WPS-873, Indian institute of Management Calcutta.
2. How effective are Stock Market reforms in Emerging Market Economies: Evidence from a Panel VAR model of the Indian Stock Market. GLO Discussion Paper, No. 290, 2019.
3. A Framework for the Simultaneous Measurement of Spatial Variation and Temporal Movement in Prices in a Heterogeneous Country: the Dynamic Household Regional Product Dummy Model, [jointly with Amita majumder and Ranjan Ray), Discussion Paper ERU/2015 – 01 February, 2015
4. Earning Capacity, Efficiency and Poverty: A Study on Rural West Bengal and Orissa (Jointly with Amita Majumder & Chiranjib Neogi), Indian Statistical Institute, Calcutta, Discussion Paper ERU/2010-04.
5. Mother or Motherland: Can a Government Have an Impact on Educational Attainment of the Population? Preliminary Evidence from India" Institute of Labour Studies, University of Bonn, Germany, Discussion Paper No. 4954, May, 2010.

6. Coincident Test and Convergent Hypothesis: Theory and Evidence (with Samarjit Das and Ajoy Pal), Indian Statistical Institute, Calcutta, Discussion Paper ERU/2010-02.
7. Engel's Law Reconsidered (with Werner Hildenbrand, University of Bonn, Germany), Bonn Econ Discussion Paper 22/09, September 2009, Bonn Graduate School of Economics, Department of Economics, University of Bonn.
8. Estimating Equivalence Scales Through Engel Curve Analysis (with Amita Majumder, Indian Statistical Institute, Calcutta), Indian Statistical Institute, Calcutta, Discussion Paper ERU/2008 - 05, 2008.
9. Earnings Differences between Chinese and Indian Wage Earners, 1987-2004 (with O. Bargain, S. Bhaumik and Z. Zhao): Discussion paper, DP 3284, January, 2008, Institute for the study of labour (IZA), University of Bonn.
10. Is Education the Panacea for Economic Deprivation of Muslims? Evidence from Wage Earners in India, 1987-2005 (with S Bhaumik, Brunel University): Discussion paper, DP 3232, December, 2007, Institute for the study of labour (IZA), University of Bonn.
11. Earnings Inequality in India: Has the Rise of Caste and Religion Based Politics in India had an Impact? (with S Bhaumik), Discussion paper, DP 2008, March, 2006, Institute for the study of labour (IZA), University of Bonn.
12. Son Preference And Its Determinants in Rural India -An Analysis Based On A Composite Measure of Gender Bias', Keele Economics Research Papers 2005/02, Economics Department, Keele University.
13. On the Distributional Effects of Income in an Aggregate Consumption Relation, Keele Economics Research Papers 2004/09, Economics Department, Keele University.
14. 'The Representative Agent Hypothesis: An Empirical Test', Bonn Econ Discussion Paper 26/2002, Bonn Graduate School of Economics, Department of Economics, University of Bonn.
15. The Aggregate Law of Demand: Empirical Evidence From India Using Nonparametric Direct Average Derivative Estimation Procedure', Bonn Econ Discussion Paper 37/2001, Bonn Graduate School of Economics, Department of Economics, University of Bonn.
16. 'An Exploratory Analysis of The Effect of Current Income on the Relative Change in Aggregate Consumption: A Heterogeneous Household Approach', Bonn Econ Discussion Paper 31/2001, Bonn Graduate School of Economics, Department of Economics, University of Bonn.
17. 'Gender Bias in Children in Rural Maharashtra -With Reference to Relative Cost of Children : A Demand System Approach', Discussion paper 1999-08, Indian statistical

Institute, New Delhi.

Employment history (Post Ph.D):

1. March, 1998 -July, 1998 : Visiting Post-doc Fellow, Indian Statistical Institute, New Delhi, India.

Nature of Job: Research.

2. August 1998-April 1999: Research Associate, Indian Statistical Institute, Calcutta.

Nature of Job: Research and Teaching.

Teaching: Course Name: **Nonparametric Regression**: Students: Post-Graduate in quantitative economics.

[Positions held after the award]

3. May 1999-August 1999: Research Associate, Center for Studies in Social Sciences, Calcutta, India.

Nature of Job: Research.

4. September 1999 -February 2000: Lecturer in Economics, BKC College, Calcutta., India.

Nature of Job: Teaching

5. March 2000 -October 2000: Visiting Research Associate, Indira Gandhi Institute of Development Research, Mumbai, India.

Nature of Job: Research.

6. November 2000- December,2003: Post-Doc Fellow, Economics Department, University of Bonn, Germany.

Nature of Job: Research on **Aggregation and Nonparametric Methods**.

7. January 2004-January 2007: Lecturer- Grade B (Equivalent to Assistant Professor), Economics Department, Keele University, UK

Nature of Job: Research, Teaching & Academic Administration.

8. At Present Institute: Indian Institute of Management Calcutta
February 2007-October 2010: Assistant Professor (Economics), Indian Institute of Management Calcutta (IIMC), India.

October 2010-March 2016: Associate Professor (Economics), Indian Institute of Management Calcutta, India.

April 2016-Present: Professor in Economics

Nature of Job: Research, Teaching, Training, Consulting, Academic Administration.

- **Visiting Appointments**

March 2006-August 2006: Visiting Scientist, Economic Research Unit, Indian Statistical Institute.

April 7th 2008-June 4th, 2008: Visiting Scientist, Hausdorff Research Institute for Mathematics of the University of Bonn, Germany.

November-December 2013: visiting Scientist: Hausdorff Research Institute for Mathematics of the University of Bonn, Germany.

Teaching Experience (List of lectures)

Taught: Course Name: **Development Economics**: Undergraduate (Hons. in Economics). September 1999 -February 2000 as Lecturer in Economics, BKC College, Calcutta., India.

Co-supervisor for Ph.D Student Anke Schmalenbach, **Bonn University**, Germany.
Thesis Title: Aggregate Consumption Expenditure and The Role of Income Distribution. November 2000-December 2003.

Teaching At Keele (2004-2007):

Course name: **Contemporary Development Issues**: Undergraduate in Economics & Business Economics; 2004.

Course name: **Macroeconomics**: Undergraduate in Economics & Business Economics; 2004, 2005.

Course name: **Managerial Economics**: Undergraduate in Finance & Economics; 2004, 2005 & 2006.

Course name: **Financial Markets & Institutions**: Undergraduate in Finance & Economics; 2004, 2005 & 2006

Course name: **International Finance**: Undergraduate in Finance & Economics; 2005.

Course name: Applied Finance; Post-Graduate in Finance; 2005.

Guided 7 Term papers for students in Post Graduate in Finance, 2005.

Main Theme: Performances of Mutual Fund & CAPM model.

Teaching Related Academic Administration at Keele:

Undergraduate Program (Economics) Tutor for 2nd and 3rd year students, 2005 & 2006.

Teaching at IIMC:

Course name: **Macroeconomics**: 2007, 2008 & 2009, 2021-22, 2022-23 (current academic session). Students: MBA. Also, at other Indian Institute of Management (Ranchi) as a Visiting Faculty (2010).

Course name: **Applied Macroeconometrics**, Students: MBA, 2015, 2016.

Course name: **Quantitative Research Method**: Students: Ph.D, 2009-2021. This one is interdisciplinary core course for Ph.D students across several disciplines. Hence, 3 different faculties from different groups such as Operation Management, Information Systems and me From Economics Group teach this course. I am the course Co-ordinator of this course.

Course name: **Topics in Advanced Econometrics**: Students: Ph.D, 2009-- 2019.

Course Name: **Intermediate Econometrics**: Students: Ph.D, 2019-2022.

Course name: **Applied Economics**; Students: Ph.D, 2012-13.

Course name: **Econometric Methods**: 2007-2017. Students: MBA

Also, at other institutes such as : Indian Institute of Management (Ranchi [2013] & Bodhgaya [2018]) as a Visiting Faculty.

Course name: **Econometric Tools for Business Manager**, Students: Post Graduate Executives, 2011 & 2014.

Course name: **Econometric Methods with Application in Business**, Students: Post Graduate Diploma in Business Analytics (PGDBA), 2016-2018, 2021, 2022 (Current Academic year)

Course name: **Selected Aspects of Predictive Modelling**, Students: Post Graduate Diploma in Business Analytics (PGDBA), 2016-2021, 2022 9Current Academic Year)

Course name: **Financial Econometrics**, Students: MBA, 2012, 2013, 2014, 2015.

Course name: **Microeconomics**, Students: Post Graduate Executives, 2015.

Course name: **Managerial Economics**, Post Graduate Executives for Visionary Leadership in Manufacturing, 2015-2021.

Thesis Supervision:

Member of Thesis Advisory Committee [Joint-Guide] of 13 Ph.D students in following Areas: Finance, Economics, Public Policy, Management Information System.

Guide (Term Papers):

1. Effect of Macroeconomic Indicators on Exchange Rate, 2007.
2. Study of Regional Trade Agreements and their effects, 2008.
3. Varying Effects of Liberalization: An Indian Industry Analysis, 2008.
4. Real Estate Index in India: Growth & Trends, 2008.
5. Study into the association of real estate prices and interest rates in the US and its implications for the Indian Economy, 2008.
6. Gini coefficient and GDP growth for Developed and Emerging economy, 2009.

7. Comparing Multi-factor Equity Pricing Model, 2010.
8. Relationship between Exchange Rates and a country's Economic Growth and other Macro-Economic variables; Specific case in Point: India, 2011
9. Estimating Impact of Monetary Policy on Inflation in India, 2015.
10. Factors causing Currency crashes in developing countries, 2019.
11. Quantitative Analysis of the effect of various Macroeconomic Indicators on the capital market, 2020.

Thesis Examiner [Internal]: Indian Institute of Management Calcutta.

- Soumya Guha Deb's Dissertation on "Performance Evaluation of Equity Mutual Funds in India: An Empirical Exploration" at Indian Institute of Management Calcutta.

External Thesis Examiner:

- Sunaina Dhingra's Dissertation on "Essays in the Economics of Nutrition and Education of children in Rural India", **Delhi School of Economics**, 2018.
- Women's Health in India over different age cohorts: A State wise Analysis, by Barnali Bandopadhyay, Economics Department, **Calcutta University**, 2019.
- Intergenerational Transfer of Education: A Study with reference to India, by Palashpriya Halder, Economics Department, **Calcutta University**, 2019.
- Manu Bansal's Dissertation on "Essays on Indian Agricultural Exports: Effect of Rural Roads and Geography Related Intellectual **Property Rights on Agricultural Exports in India**, **Indian** Institute of Management Bangalore, 2020.

Teaching related Academic Administration at IIMC:

- Member of the MBA Committee (April, 2010-2012).
- Member of The Research (Ph.D) Committee (2008-2010)
- Director of the following online Long-Distance **Executive Diploma Program** offered by **Indian Institute of Management Calcutta**; {responsible for curriculum Development and setting up learning Goals, Course Design, Faculty contact hours set up etc} in the following areas of Executive Program:

Applied Finance [EPAF] (2010-2012), Business Management [EPBM] (2013-2015), Young Managers [EPYM] (2013-2015), General Business Management [EPGBM](2017-2020], Business Analytics [EPBA] (2020—contd.) and in Advance Program in Data Sciences [2020-contd.]

- **Training Experience: Online Executive Diploma Program- Synchronous Method: Different Executive Programs in the fields of General Management, Data Science Management, Business Analytics, Applied Finance and also in-company training to Genpact Employee, Nestle Employees.**

Course name: **Macroeconomics**: 2007-2018.

Course Name: **Statistics for Business Decision**: 2014, 2015.

Course name: **Econometrics**: 2018-2022.

Course name: **Financial Econometrics**: 2014, 2015.

Course name: **Business Economics**: 2016-2019.

Course Name: **Demand and cost estimation and Forecasting**, 2011.

Course Name: **Time Series Analysis**, 2020- 2022.

- **Academic Administration:**

- . External Seminar Organiser (Economics Department at Keele University), 2005 & 2006.
- Economics Group-Head/ Coordinator at IIMC (April, 2010-2012)
- Member of the Admission Committee (April, 2010-2012,2016-2018).
- Editor-in-chief of the Journal Decision (Springer publication: <https://www.springer.com/journal/406220>) [2018--2022]
- Chairperson of the Publication Committee [2018-2022].

- **Conference and Workshop Organiser**

- Workshops: November 2013 on Financial Reform – What has the Last Decade Taught us?
- Workshops: December 2014 on “Dissemination Workshop on Corporate Governance” and
- Workshop: August 2018 on “Nonparametric Econometrics”.
- International conference on “New Direction in Economics and Econometrics”, 2018.
- International conference on “Dealing with Online and Blended Education in Modern Challenging Times”, March, 2022.

Other Professional Activities:

- **Invited Lecture:**

Course name: **Nonparametric Regression:**

- Invited Lecture at “Research Methodology workshop on quantitative Appraisal of Economic Issues” at Economics Department, University of Calcutta 2009.

&

- In “Research Methodology in Quantitative Economics” at Centre for Studies in Social Sciences, Calcutta in collaboration with ESRC, ICSSR, April, 2010.

Course name: **Application of NSSO Data.**

- Invited lecture on “Quantitative Techniques in Economics: Methods & Application in Micro-Econometrics” at Jadavpur University, 2018.

Course name: **Application of Spatial Statistics.**

- Invited lecture on “An Introduction to Spatial Statistics and Econometrics” at Presidency University, 2022.

- Invited Talk on “**Demand Estimation from Consumption Expenditure Data: Past, Present and Future**”, at Presidency University, 2019.

- Invited Expert in the “**Seminar on Inflation Expectation Survey of Households**”, Organized by Reserve Bank of India, December 2009.

- Invited panel member in the 21st annual convention of the Strategic Management Forum in an Editors' Roundtable, **Indian Institute of Management Lucknow**, 2019.

- Reviewed articles for “World Development”, IIMB Management Review”, “Indian Economic Review”, “Empirical Economics”, “Indian Growth and Development Review”, “International Journal of Emerging Markets”.

- **Member of the Board of Studies (BoS)** {responsibility: Curriculum Development both for Undergraduate and Post-Graduate in Economics}

- Dr. B. R. Ambedkar School of Economics (BASE), Bengaluru, India.
- School of Social Sciences, Ramaiah University of Applied Sciences (RUAS), Bengaluru, KA, India

- **Engaged in the Policy Process of the Institute: Leader of Working Group** Deliberating on Institute’s (IIMC) Strategy on Faculty Development.

- Attended Harvard Business School Case pedagogy Training as a part of Faculty Development, 2011.

Conference Attended (after 2000):

1. “Demonetisation and movement toward cashless economy in India: Appearance and illusions?”, World Finance Conference, Santiago De Chile, 2019.
2. “How effective are Stock Market reforms in Emerging Market Economies: Evidence from a Panel VAR model of the Indian Stock Market”, World Finance Conference, Mauritius, July 25-27, 2018.
3. Symposium in Honor of Werner Hildenbrand , June, 2016 at Bonn, Germany.
4. “Board Composition and Corporate Governance: Do Traditional Governance Mechanisms Work in Firms with Entrenched Management?” ,PACE Rim 3 Conference : Financial and Economic Links and Institutions for Prosperity, Hawaii USA, May 14-16, 2014.
5. “Preferences, Spatial Prices and Inequality”, International Conference on Business and Economic Development (ICBED), New York, USA, 25th - 26th March 2013.
6. “Earning Capacity, Efficiency, and Poverty: A Study on Rural West Bengal and Orissa”, International Conference on Data Envelopment Analysis and Its Application to Management; Centrum catolica, Lima, Peru-14-16th September, 2011. **Got Best paper award.**
7. “How Should Engel’s Law be Formulated?”, Presented in the 6th annual Conference on Growth and Development, Indian Statistical Institute, Delhi, India, 2010.
8. “Coincident test and Convergent Hypothesis: theory and Evidence”, presented at the Tenth Islamic Countries Conference on Statistical Sciences, Organised by the American University of Cairo, Cairo, Egypt, December, 2009.
9. As an invited discussant in the Rabindra Bharati University, Calcutta in the Conference on. “Contemporary Issues in Development Economics”, March, 2007.
10. “Earnings Inequality in India: Has the Rise of Caste and Religion Based Politics in India had an Impact?”, presented in the International Symposium on Economic Theory, Policy. And Applications, Organised by Athens Institute for Education and Research, August, 2006.
11. “On the Distributional Effects of Income in an Aggregate Consumption Relation”, presented in the Fifth Annual Conference on Model and Methods in Economics, ISI Kolkata, India, December, 2005.
12. “The Representative Agent Hypothesis: An Empirical Test”, Presented in VIIIth Spring Meeting of Young Economists, Leuven, Belgium, April, 2003 and Conference on Aggregation, Efficiency and Measurement, University of California,

Riverside, May, 2003.

13. "The Law Of Aggregate Demand: Empirical Evidence From India Using Nonparametric Direct Average Derivative Estimation Procedure", Presented in ESEM, 2002, Venice, Italy, August, 2002.

14. "On The Empirical Evidence of The Law of Aggregate Demand: The Case of Rural Maharashtra, India", presented in Conference on Models and Methods in Economics, Indian Statistical Institute, Calcutta, India, January, 2002.

15. "An Exploratory Analysis of The Effect of Current Income on the Relative Change in Aggregate. Consumption: A Heterogeneous Household Approach", in 30th Annual Conference of. Economists, University of Western Australia, Perth, Australia, September, 2001.
